

ISRB Mission & Vision Statement

Adopted 10-24-2016

Mission Statement

The ISRB makes informed decisions essential to public safety regarding the confinement or release of individuals under its jurisdiction.

Values

We value:

- Making objective decisions with consideration for public safety and the concerns of stakeholders.
- Following the law with integrity.
- Being responsive and transparent to victims, individuals under our jurisdiction, the public, and criminal justice partners.
- Respecting the diversity of individuals.
- Planning and managing public resources responsibly.
- Working together with open communication while valuing each team member.
- Excellence and accountability in our work.

Vision Statement

Advance independent evidence based decision making and increase community awareness and transparency, by utilizing innovative and efficient processes. Ensure resources accompany workload.
