

## CASH TO CARD SYSTEM CHANGES

EFFECTIVE APRIL 7, 2017

In an effort to bring better options to SCCC visiting, SCCC and Fiesta Food Services has brought in the Heartland Cash to card machine that has the capability to accept credit and debit cards as well as cash. Along with new features, come changes as to how it works.

1. The purchase of a new card must be done with a \$5 bill, credit or debit card. The machines will accept only a \$5 bill when purchasing with currency.
2. The cost of a new card is \$3. Each card that is purchased will have a \$2 credit on it.
3. When adding credit to the purchased or existing card, a person may use \$1, \$5, \$10, \$20 bills or their credit\debit card.
4. All cards purchased from these two machines can be recharged on either machine.

## CASH TO CARD SYSTEM CHANGES

EFFECTIVE APRIL 7, 2017

In an effort to bring better options to SCCC visiting, SCCC and Fiesta Food Services has brought in the Heartland Cash to card machine that has the capability to accept credit and debit cards as well as cash. **Unlike the new machine, this machine will not accept credit or debit cards. This machine accepts cash only.**

1. The purchase of a new card must be done with a \$5 bill. This machine will accept only a \$5 bill when purchasing with currency.
2. The cost of a new card is \$3. Each card that is purchased will have a \$2 credit on it.
3. When adding credit to the purchased or existing card, a person may use \$1, \$5, \$10, \$20 bills.
4. This cash to card machine will not accept credit or debit cards.
5. All cards purchased from these two machines can be recharged on either machine.
