INDETERMINATE SENTENCE REVIEW BOARD
PO BOX 40907 • Olympia, Washington 98504 • (360) 493-9266 FAX (360) 493-9287

Date: February 7, 2017

The following is a list of offenders who are scheduled to meet with the Indeterminate Sentence Review Board (ISRB) during the month of May 2017. The Indeterminate Sentence Review Board (ISRB), formerly known as the Board of Prison Terms and Paroles, has jurisdiction over three types of offenders:

- (1) (PAR) - Offenders who committed their crime(s) prior to July 1, 1984 and were sentenced to prison. The ISRB must determine if the offender's rehabilitation is complete and whether he or she is a fit subject for release. If the ISRB makes a decision to release the offender, the Department of Corrections (DOC) will then propose a release plan. The ISRB will review and either approve or reject the release plan. If an offender fails to follow the conditions of parole, the ISRB can revoke parole or impose new parole conditions on the offender.
- (2) (CCB) - Offenders who committed certain sex offenses on or after September 1, 2001. The ISRB must determine if a preponderance of evidence suggests the offender is more likely than not to commit a sex offense if released with conditions. If the ISRB decides to release the offender to community custody, the offender must comply with all release conditions that were imposed by the court when he/she was sentenced, as well as any conditions imposed by the ISRB. If an offender fails to follow those conditions, the ISRB can revoke the release or impose new release conditions on the offender.
- (3) (JUVBRD) - Offenders who committed crimes prior to their 18th birthday and are sentenced as adults, the ISRB must determine if a preponderance of evidence suggests the offender is more likely than not to commit a new crime. If the ISRB decides to release the offender on supervision, the offender must comply with all release conditions that were imposed by the court when he/she was sentenced, as well as any conditions imposed by the ISRB. If an offender fails to follow those conditions, the ISRB can revoke the release or impose new release conditions on the offender.
