RE: Activities for Individuals on Quarantine Status

Effective immediately the HQ Clinical Leadership has approved activities for quarantined incarcerated individuals.

You cannot have quarantined individuals mixed with non-quarantined incarcerated individuals during these activities.

The following activities are approved for quarantined populations:

- Outside recreation yards
- Indoor gyms
- No exercise equipment or weight deck
- Day rooms can be utilized
- Social distancing of 6 feet must be maintained for each activity
- All surfaces must be wiped down after the quarantined incarcerated individual(s) returns to their cell
