TO: All Work Release Residents  
FROM: Susie Leavell, Senior Administrator, Reentry Division 

I am sending this message to provide an update regarding the room and board waiver previously granted through April 30, 2020.

The Agency understands the implications to reentry for individuals in work release whose employment has been affected by COVID-19. Moving forward, decisions to grant room and board waivers will be based on individual circumstances and full blanket waivers will only be granted when a facility is placed on quarantine status.

Recently, an update was made to OMNI which allows for 'real time' suspension of room and board fees. Therefore, you will not see deposits in your savings account for the reimbursement of room and board for charges occurring after May 1, 2020.

Thank you for you being patient and please take care.
