June 1, 2020

**TO:** All Incarcerated Individuals

**FROM:** Julie Martin, Deputy Secretary *J. Martin*  
Robert Herzog, Assistant Secretary *R. Herzog*

**SUBJECT: Free Calls Extended**

Due to our continued response to COVID-19, the Department of Corrections will extend free access to phone calls. All incarcerated individuals will continue to receive two (2) free five (5) minute calls per week through June 30, 2020. As a reminder, if your free calls are not used by the end of the period, ending June 30, 2020, no credit will be given.

We are committed to establishing a new normal and understand the importance of maintaining communication with loved ones. These extended free services are not the same as seeing your friends and family in person, and once it is safe to resume public gathering we will communicate plans to resume visitation.
