TO: Local Family Council SCCC
Incarcerated Population

FROM: Ron Haynes, Superintendent

Subject: COVID 19 Update SCCC

Last week you were notified that SCCC received positive test results back on two of our incarcerated individuals. We have been notified that those two individuals did NOT test positive, it was a clerical error by the lab. However, prior to the notification we tested all of H1 B Pod and the two individuals whose test results were inaccurately reported.

All tests came back negative, so today we are moving all of the affected individuals that were placed into ISO and Quarantine back into population.

This is a good reminder of the importance of continuing to wear our masks and maintain social distancing.

Thank you.
