

Washington State Penitentiary

Superintendent's Office

DATE: December 11, 2020
TO: WSP Incarcerated Individuals
FROM: Superintendent Holbrook
SUBJECT: Weekly COVID-19 Update

Currently Delta, Victor and William units and the In-Patient unit (IPU) and Close Observation area (COA) in Health Services, are on quarantine status. The east sides of Echo and Fox, and the Intensive Management Unit (IMU) continue to house medical isolation/quarantine and intake separation individuals. We also have incarcerated individuals on quarantine status in the back of Unit 10. We continue to test incarcerated individuals, as well as staff members for COVID-19 on a weekly basis to mitigate the spread of COVID-19 in our facility.

Please continue to use the appropriate Personal Protective Equipment (PPE), practice good hand hygiene and maintain social distancing at all times. This includes times you are alone, please be sure to wear your mask unless you are eating, drinking or sleeping.

We appreciate your patience with the changes implemented due to COVID-19. It is only with your cooperation and diligence that we can get back to normal operations.
