

# Washington State Penitentiary

## Superintendent's Office

**DATE:** December 30, 2020  
**TO:** WSP Incarcerated Individuals  
**FROM:** Superintendent Holbrook   
**SUBJECT:** Weekly COVID-19 Update

Currently parts of Unit 10, the west sides of Fox and Echo, Delta, Golf, Rainier, Victor, and William units are on quarantine status. The east side of Fox and Echo, Unit 8, the South Complex Gym and the Intensive Management Unit (IMU) continue to house medical isolation and intake separation individuals.

We have moved COVID-19 positive incarcerated individuals to the South Complex Gym, which is set up as an alternate housing area to keep positive individuals separate from healthy individuals. While essential services such as laundry, toilets, and showers are available, we continue to work to improve the frequency of your access as well as yard and phone access as this pandemic continues. Your patience is appreciated!

Correctional Industries, Unit Managers, Correctional Program Managers and the administration are also working on solutions for food concerns presented by minimum custody incarcerated individuals.

Please continue to use appropriate PPE and maintain social distancing at all times. This includes times you are alone, please be sure to wear your mask unless you are eating, drinking or sleeping.
