February 26, 2021

TO: All MCC Incarcerated Individuals
FROM: Michele Wood, Incident Commander
SUBJECT: **MCC Weekly COVID-19 Update**

Effective March 4, 2021, all incarcerated individuals will be required to wear surgical masks until further notice per the memo sent from Secretary Sinclair on February 25, 2021. Individuals on quarantine or medical isolation status are already wearing surgical masks and will continue until further notice.

The Monroe Correctional Complex (MCC) incarcerated population were provided comfort bags the week of February 22, 2021. These comfort bags included items such as chips, crackers, coffee, and other snacks. These comfort bags were purchased using the Incarcerated Individual Betterment Fund (IIBF).

MCC has begun receiving transfers from other facilities. The individuals arriving at MCC will either be COVID-19 recovered or be housed on transfer separation status. In an effort to mitigate the spread of COVID-19, transfer separation individuals will remain separate from the MCC population until receiving two (2) consecutive negative tests.

To preserve the health and wellbeing of all of us, it is important that we all continue to stay physically six (6) feet or more apart from one another when possible, wash our hands frequently, and properly wear the appropriate PPE.
