FROM: Michele Wood, Incident Commander 
SUBJECT: MCC-MSU COVID-19 Limited Area Outbreak

On September 6, 2021 Monroe Correctional Complex (MCC) confirmed that three (3) incarcerated individuals from C & D units tested positive for COVID-19. Due to these positive test results, MSU C & D units were placed on quarantine status and additional testing was conducted. MCC, in conjunction with clinical staff, determined to place MSU C & D units on Limited Area Outbreak status.

All other units and will continue under normal operations

It is imperative that everyone continue to wear a Surgical Mask or appropriate [Personal Protective Equipment \(PPE\)](#), practice social distancing at all times, and hold the incarcerated responsible to meet these standards. Similarly, it is vital that we continue to follow the [Centers for Disease Control \(CDC\) guidelines](#), ensuring to follow the six (6) foot social distancing rule, washing your hands, and keeping areas of the institution sanitized.

Corrections is committed to everyone's safety. We will continue to communicate with you as we progress through this pandemic.
