Subject: **Weekly COVID-19 Update**

G Unit continues to be on Limited Area Outbreak status. Testing for the week has been completed and September 28th is the next scheduled testing day. The unit will continue operating in 4 person cohorts with meals being served at cell front.

Visitation for G Unit remains suspended. Notification was made to visitors and posted to the public website.

Based on the results and mapping, all kitchen workers from cohort B have been tested with negative results. No other living units will be affected other than G unit remaining on quarantine status.

F Unit South is also on quarantine and will be retested on September 28th.

Reminder to staff, if you identify an individual with symptoms, notify medical, the Shift Commander, and the ICP immediately.

Thank you to all staff for your commitment to working through this and helping to keep our facility safe.
