**FROM:** Lisa Anderson, Incident Commander

**SUBJECT:** Quarantine Status Notice - MCC-IPU

The Monroe Correctional Complex (MCC) Inpatient Unit (IPU) has been placed on quarantine status today, October 1, 2021, as precautionary measure due to having potentially been in close contact with a COVID-19 positive individual.

**Quarantine:**

Patients who are asymptomatic but have been in close contact with confirmed or suspected COVID-19 patients should be placed on quarantine status.

While in quarantine, Health Services staff will assess you twice a day. You can expect the following:

- They will ask you a list of questions for assessment purposes
- They will take your temperature
- They will assess your oxygen levels
- They will dispense medications if necessary

While on quarantine you will not be able to participate in visitation, including EFVs.

Please continue to always wear your surgical mask when out of your cell, maintain six (6) feet of social distance, practice frequent hand washing, and continuously sanitize your area.

Thank you for your cooperation in making health and safety a priority.
