TO: All Incarcerated Individuals

FROM: Rob Schreiber, Incident Commander
SCCC Incident Command Post

Subject: **Weekly COVID-19 Update**

I am pleased to announce G Unit has been removed from Limited Area Outbreak status. Testing of all Incarcerated Individuals (II) affected have returned with negative results. All II's have now been returned to their perspective Living Units and will return to scheduled programing and Unit operations.

Visitation for G Unit has returned to normal. Notification was made to visitors and posted to the public website.

I would like to take the time to personally thank you for your continued cooperation. Your daily routines were impacted greatly. You can now reengage your communications with family and loved ones and Educational/Employment Programming. I encourage you to continue social distancing efforts along with sanitation efforts for you and all those around. Thank you again.
