Subject: Updated Safe Start Document

Sent on behalf of COVID-19 Emergency Operations Center Manager, Jamison Roberts

At the beginning of each month, an updated version of the [Washington State Department of Corrections' Safe Start Plan](#) is published on the [Significant Events Timeline](#). Version 3, effective October 1, 2021 is [available here](#).

Please make sure you take the time to review each month for a comprehensive look at what has changed. At the beginning of the document you will find an update log reviewing what has changed since the last version, and a running log at the end of the document will show historical changes made for each revision.

Additionally, COVID-19 data, job aides and resources are posted on our [COVID-19 webpage, available here](#).

Please use all of these resources available to you when looking for COVID-19 related resources and directives specific to your work area.

Thank you.
