There have been continuous requests for additional staff to work those areas that are affected by the TRU outbreak. The TRU Commissary and Laundry will be working overtime this weekend and an email was sent to all staff requesting assistance from those that are willing to come in during their off hours and help. The TRU Commissary's work hours are M-F 0700-1500. If you are interested, please contact [Lt. Bratten](#). WSRU CI Food Service continues to supply food for TRU due to the outbreak. TRU video visiting will continue as scheduled due to additional safety precautions that have been added to the JPay kiosk. Thank you to Captain Frantz and TRU Maintenance for your hard work and making this happen.

As part of the continued effort to mitigate the transmission of COVID-19, the WSRU C Unit has been converted to a temporary medical isolation unit to house symptomatic patients or individuals who have tested positive for COVID-19.

We will continue providing updates as the situation evolves and appreciate your continued patience during this time.
