Beginning 12/10/2021, TRU will have 32 workers from C Unit, B wing working in the commissary. These individuals will only be working in the commissary and will be tested daily before work to mitigate the spread of COVID-19.

There will be individuals from the Minimum Security Unit (MSU) working in laundry.

TRU	--	TRU	SOU	TRU
IMU	MSU	SOU	MSU	MSU

***Note: No C/O uniforms or dye loads at this time.***

In addition to WSRU C Unit being converted to a temporary medical isolation unit, WSRU B Unit has been converted to a recovery unit. All incarcerated individuals on WSRU B Unit were previously housed at TRU and have tested positive for COVID-19 and have recovered. WSRU A and B units are separate cohorts and have equal but separate access to recreation and dayroom. At this time work is being done to prepare TRU E Unit as a Rapid Care Facility (RCF).

We will continue providing updates as the situation evolves and appreciate your continued hard work and cooperation during this time.
