TO: All MCC Incarcerated Individuals

FROM: Ken Bratten, Incident Commander

SUBJECT: COVID-19 Weekly Update

It has been another busy week at the Monroe Correctional Complex (MCC). Some of the things that we have accomplished this week are:

- TRU C Unit has been removed from quarantine status
- We have resolved the issues surrounding laundry and commissary at the Twin Rivers Unit (TRU) and the Washington State Reformatory Unit (WSRU).
- We have delivered 70 mattresses to the individuals in medical isolation at the Intensive Management Unit (IMU).
- Opened a general population pod at the IMU for those that have been medically cleared but cannot yet return to their unit.
- There was a movement of individuals from the general population pod at the IMU to WSRU B Unit.
- Delivered big screen televisions to the IMU

Last night there was a fire in the laundry room at TRU, thankfully, no one was injured. We are working diligently to get more clothing, mops and blankets to replace what was lost or damaged in the fire. Your patience during this time is appreciated.

It has been a difficult year for all of us and we ask that everyone take a moment to say a kind word to someone else. This time of year can be difficult for many and it is important to be considerate and respectful of those around us.
