December 27, 2021

TO: Community Corrections Staff

FROM: Mac Pevey, Assistant Secretary 
Community Corrections Division

SUBJECT: Operational Changes in Response to COVID-19 (Paused)

This memo supersedes the memos dated March 19, 2020, July 26, 2021, October 22, 2021, and December 16, 2021 all with the same subject line.

On December 16, 2021, a memo was sent to all Community Corrections Division staff announcing operational changes that were set to occur January 1, 2022.

In light of the direction sent around by the Emergency Operations Center earlier today, these changes are now on pause. An updated message will be sent when we know more about our ability to implement operational changes, until then, please continue to follow the guidance in the October 22, 2021 memo, [available here](#).

If you have questions about any of these items or other concerns, please staff those questions with your supervisor and, if necessary, send them to the [DOC COVID19](#) mailbox.

Your flexibility and ability to adapt is absolutely appreciated as we continue to navigate this dynamic pandemic. Please continue to take care of yourselves and each other.
