It is imperative that everyone continue to wear a surgical mask or appropriate [Personal Protective Equipment \(PPE\)](#), and hold the incarcerated responsible to meet these standards. Similarly, it is vital that we continue to follow the [Centers for Disease Control \(CDC\) guidelines](#), ensuring to follow the six (6) foot social distancing rule, washing your hands, and keeping high touch areas of the institution sanitized.

Corrections is committed to everyone's safety. We will continue to communicate with you as we progress through this pandemic.
