

Washington State Penitentiary

Superintendent's Office

DATE: February 2, 2022
TO: All WSP Incarcerated Individuals
FROM: Assoc. Supt. Steve Barker, Incident Commander
SUBJECT: WSP II Facility Update

The Washington State Penitentiary is still on what is known as Facility Cluster status, twice weekly testing for staff members will continue until we can achieve 14 days with no new positives. Over the weekend, Echo and Fox changed to Limited Area Outbreak status in addition to all the other units listed below.

We will be testing the entire incarcerated population in many areas February 3, 2022, please continue to be patient and cooperative with staff as they make their way through the units.

As a reminder, N-95 masks are available for voluntary use in place of the surgical masks provided.

Facility locations under Limited Area Outbreak Status:

- Adams Unit
- Baker Unit
- Delta Unit
- Echo Unit
- Fox Unit
- Health Services IPU
- IMU North
- Rainier Unit
- Unit 6
- Unit 8
- Victor Unit
- William Unit

Current numbers as of February 2, 2022:

- Current positive cases among incarcerated (in the last 30 days) – 723
- Number of confirmed cases of incarcerated to date – 1,739
- Number of confirmed staff cases to date – 592

Please remember that wearing your mask, washing your hands frequently and practicing social distancing wherever possible will go a long way to help mitigate the spread of COVID-19. We will continue to follow the Centers for Disease Control and Washington State Department of Health's guidance, and make your health and safety are our priority.
