

STATE OF WASHINGTON  
**DEPARTMENT OF CORRECTIONS**  
P.O. Box 41100 • Olympia, Washington 98504-1100

February 10, 2022

**TO:** All CRCC Staff  
**FROM:** Andrew Sawyer, Associate Superintendent  
**SUBJECT:** CRCC Weekly update COVID-19 Facility Wide Outbreak

January 9, 2022, Coyote Ridge Corrections Center (CRCC) was placed on Facility Wide Outbreak and Facility Wide Cluster status.

February 7, 2022, Coyote Ridge Corrections Center (CRCC) MSU was removed from Facility Wide Outbreak status. MSU is no longer on quarantine status.

February 8, 2022 A Unit MSC was removed from quarantine status.

February 9, 2022 H Unit MSC was removed from quarantine status.

MSC Units G, B and C continue outbreak status and will test weekly (currently rapid testing). Recovered individuals do not test at this time.

Programming opportunities are currently minimal due to the continuing COVID-19 outbreak. We are providing yard time as staffing allows for D, E, I, H and F A. At this time, visitation remains closed statewide due to current COVID-19 case counts.

While the facility remains on quarantine status, the units listed below have been identified as the following:

- **MSC F-B Unit** - Individuals that have tested positive (Medical isolation)
- **MSC F-A Unit** – Being used for COVID-19 recovered individuals.
- **MSC D and E Units** – are on limited cluster status
- **MSC B Unit, A Pod** - Individuals that have had close contact with an individual that has tested positive (Quarantine) or are on transfer separation
- **MSC A Unit, F Tier** - ADSEG Individuals that have tested positive (Medical isolation)
- **MSC A Unit, G Tier** - Individuals that have COVID-19 symptoms/ pending test results. (Medical isolation)
- **MSC I Unit** - Being used for COVID-19 recovered individuals.
- **MSC B-B Pod, C and G Units** – Remain on outbreak status

We continue to follow the Prisons Division Cluster and Outbreak Checklist and remain on restricted movement at this time. It is imperative that everyone continue to wear a surgical mask or appropriate personal protective equipment (PPE). Similarly, it is vital that we continue to follow the Centers for Disease Control (CDC) guidelines: ensuring to follow the six foot physical-distancing rule, washing your hands, and keeping high-touch areas of the facility sanitized.

Corrections is committed to everyone's safety. We will continue to communicate with you as we progress through this pandemic.
