April 20, 2022

TO: All Staff & All Incarcerated Individuals
Washington Corrections Center for Women

FROM: Gerald Holter, Co-Incident Commander 
Casey Carlson, Co-Incident Commander 
Washington Corrections Center for Women

SUBJECT: Update - CCU LAO

Effective April 7, 2022, the WCCW Close Custody Unit was placed on Limited Area Outbreak Status, and incarcerated individuals could not participate in visitation. WCCW has managed this LAO with great care and is happy to announce that, effective immediately, the CCU East pod has been released from quarantine status and will be able to resume participating in visitation with their loved ones.

The [WA State DOC COVID-19 Screening, Testing, and Infection Control Guidelines](#) provide the protocol for managing COVID-19 outbreaks in DOC facilities. Per these guidelines, an:

- An outbreak is defined as a group of confirmed cases of COVID-19 that includes at least one incarcerated individual.
 - **Limited Area Outbreak:** Two or more confirmed cases of COVID-19 in incarcerated individuals occurring within 14 days who reside in the same living area OR
 - One or more confirmed cases of COVID-19 in an incarcerated individual AND one or more confirmed cases of COVID-19 in staff or volunteers working in proximity to the incarcerated individual case/cases occurring within 14 days.

Please remember, those in Intake Separation, Quarantine, and/or Isolation Status will be prohibited from participating in visitation as well. We will continue to communicate with you as we progress through this pandemic.
