Subject: DOC COVID-19 Vaccine Clinics for children and family members of incarcerated

Sent on behalf of DOC COVID-19 Vaccine Team

Superintendents – please distribute via kiosk to your populations

On April 23, 2022, DOC will begin hosting COVID-19 vaccine clinics for both primary series and booster doses at visitation for eligible children and family members of incarcerated patients, as well as any accompanying visitors. Bird's Eye Medical, a contractor with the Washington State Department of Health (DOH), will be offering and administering Pfizer, Moderna, and Johnson & Johnson vaccines to all those that would like to receive their vaccine and who meet eligibility.

Eligibility

The COVID-19 vaccine is available to people 5 years of age and older. Information and details about the COVID-19 vaccines can be found at DOH's COVID-19 Vaccine Information page. Need additional help? Call 1-833-VAX-HELP (1-833-829-4357), then press #. Language assistance is available.

Process

- 1) **Sign up** to receive your COVID-19 vaccine using the registration links below. Walk-ins are also welcome, but completing the required documentation may take additional time.
- 2) **Attend a clinic**, receive your COVID-19 vaccination and vaccine card.
- 3) **Complete the recommended 15 minute wait time**, to ensure there are no adverse reactions.

Benefits

Getting you and/or your child vaccinated against COVID-19 can:

- Help lower the risk of them getting infected with COVID-19
- Reduce their chance of getting seriously ill, if they do become infected with COVID-19
- Reduce their chance of needing hospitalization and lower their risk of dying from COVID-19
- Help prevent them from getting infected with a COVID-19 variant
- Add to the number of people in the community who are protected from getting COVID-19 — making it harder for the disease to spread
- Reduce disruptions to in-person learning and activities by helping curb community transmission of COVID-19

Schedule

COVID-19 vaccine clinics for eligible children and family members of incarcerated patients, as well as any accompanying visitors, will be held at the following locations on the dates noted below.
