

# WA COVID-19 Staffing Shortage Return to Work Guidance Phase 2

*This phase occurs when local resources are limited. Some positions may not be filled which typically results in program, recreation, or office closures. Internal and external Represented resources may be deployed to maintain adequate operations.*

## For Staff Who Test Positive for COVID-19 or Have COVID-19 Symptoms

<b>ISOLATION = Positive COVID-19 test or have COVID-19 symptoms</b>	
<p><b>If you test positive [PCR or Rapid Antigen Test (RAT)] or have COVID symptoms</b>            Notify your supervisor/shift office/work location or _____ (fill in, if different),            and immediately leave the workplace</p>	
↓	
<p><b>IF SYMPTOMATIC</b>, and have not yet tested positive, test via PCR, if possible, complete a Workplace Denial Form 03-110, <b>and</b> designated staff enter case into DOTS by designated staff. A nurse will contact you and ask about your close contacts. Not necessary to contact nurse directly.</p>	<p><b>IF TESTED POSITIVE</b> at work, either PCR or RAT, a nurse will follow up and ask about close contacts.  <b>IF TEST IS INCONCLUSIVE</b> (PCR) repeat PCR test curbside at facility. A nurse will contact you.  <b>DO NOT</b> need to complete the Workplace Denial Form or to contact nurse directly.</p>
↓	
<p><b>Isolate* for 5 full days.</b> Calculate a return to work date:            Calculate from actual test date, if staff can confirm, or lab received date <b>OR</b> symptom onset date            (example: 1/20/22 test date/symptoms first appear + 5 days = return to work on 1/26/22)</p> <p><b>DAY 6 RETURN DATE IS:</b> _____</p>	
↓	
<p><b>IF:</b> Your symptoms are improving,  <b>AND</b> you have been fever-free for 24 hours without fever-reducing medicine  <b>THEN:</b> Return to work on day 6 (or next work shift after day 6).</p> <p><i><b>NOTE:</b> If you are still too sick to return to work, follow your facility/work location call-in procedures for absence.</i></p>	
↓	
<p><b>DAY 6:</b>            Complete Rapid Antigen Test (RAT) prior to facility entry (curbside testing if possible). If negative, return to work.            If Day 6 RAT is positive, isolate for 2 more days, no need to contact assigned nurse.            Return to work on day 8 (or next work shift after day 8).</p> <p><b>DAY 8 RETURN DATE IS:</b> _____ (if additional test is necessary)</p>	
↓	
<p><b>DAY 8:</b>            Complete Rapid Antigen Test (RAT) prior to facility entry.            If Day 8 RAT is positive, isolate for 2 more days, no need to contact assigned nurse.            Return to work on day 10 (or next work shift after day 10).</p> <p><b>DAY 10 RETURN DATE IS:</b> _____ (if additional test is necessary)</p>	
↓	
<p><b>DAY 10:</b>            Complete Rapid Antigen Test (RAT) prior to facility entry. If Day 10 RAT is positive, contact assigned nurse.            The nurse will establish RTW date.</p>	

**\* Notes:** Nurse advice supersedes this protocol, but is not required for Return to Work.  
*If you are hospitalized for COVID, contact assigned nurse within 8 hours.*

# WA COVID-19 Staffing Shortage Return to Work Guidance Phase 2

*This phase occurs when local resources are limited. Some positions may not be filled which typically results in program, recreation, or office closures. Internal and external Represented resources may be deployed to maintain adequate operations.*

## For Staff Who Are Identified as Close Contacts

<b>QUARANTINE = Exposed to someone with COVID-19</b>	
<b>Close contact at work or in the community outside the home</b>	
IF authorized to telework, leave the worksite and <b>Telework 3 days</b>	IF NOT authorized to Telework, leave the workplace And <b>Quarantine 3 full days</b> (on own leave)
↓	↓
<p>Calculate a return to work date: Return to work on day 4 from date of last contact or if not known, from date of notification. (<i>example: 1/20/22 last contact date + 3 days = return to work on 1/24/22</i>)</p> <p><b>DAY 4 RETURN DATE IS:</b> _____</p> <p>Facility completes a Workplace Denial Form 03-110 <b>and</b> designated staff enter case into DOTS (Not necessary for staff to contact nurse.)</p>	
<b>DAY 4</b>	
Rapid Antigen Test <b>daily</b> for next 3 work days upon return, in addition to PCR serial testing (if serial testing at work)	
<p style="text-align: center;"><b>IF NEGATIVE:</b></p> <ul style="list-style-type: none"> <li>• Remain at work</li> <li>• Strict masking adherence, in addition to the PPE matrix, including wearing a mask for <b>10 calendar days</b> at <b>ALL</b> times when around others. <i>(surgical mask or voluntary N95)</i></li> <li>• No eating or drinking around others within 6 ft.</li> <li>• If symptoms develop, follow the isolation protocol, leave the workplace immediately, if on shift</li> </ul>	<p style="text-align: center;"><b>IF POSITIVE:</b></p> <ul style="list-style-type: none"> <li>• Immediately leave work</li> <li>• Follow isolation protocol on other side of this flyer</li> </ul>
<b>Ongoing close contact within your household</b>	
IF authorized to telework, leave the worksite and <b>Telework 5 full days</b>	IF NOT authorized to Telework, leave the workplace And <b>Quarantine 5 full days</b> (on own leave)
↓	↓
<p>Return to work on <b>Day 6</b> from date of diagnosis of initial household contact OR if not known, date of notification. (<i>example: 1/20/22 household member's test date + 5 days = return to work on 1/26/22</i>)</p> <p>Not necessary for staff to contact nurse.</p> <p>Facility completes a Workplace Denial Form 03-110 and case needs entry into DOTS by designated staff.</p> <p><b>DAY 6 RETURN DATE IS:</b> _____</p>	
<b>DAY 6</b>	
Rapid Antigen Test <b>daily</b> on scheduled workdays for 16 calendar day period upon return, in addition to PCR serial testing (if serial testing is conducted at work location).	
<p style="text-align: center;"><b>IF NEGATIVE:</b></p> <ul style="list-style-type: none"> <li>• Remain at work</li> <li>• Strict masking adherence, in addition to the PPE matrix, including wearing a mask for <b>10 calendar days</b> at <b>ALL</b> times when around others. <i>(surgical mask or voluntary N95)</i></li> <li>• No eating or drinking around others within 6 ft.</li> <li>• If symptoms develop, follow the isolation protocol, leave the workplace, if on shift</li> </ul>	<p style="text-align: center;"><b>IF POSITIVE:</b></p> <ul style="list-style-type: none"> <li>• Immediately leave work</li> <li>• Follow isolation protocol on other side of this flyer</li> </ul>

# WA DOC COVID-19 Staffing Shortage Return to Work Guidance SUMMARY\*
