

COVID-19 Visit Rules

*These rules effective thru 8/14/2021.
See [new COVID-19 Visit Rules](#) effective 8/15/2021.*

These rules are in place to keep the incarcerated population and the public safe and healthy. The facility reserves the right to terminate any visit in which the rules are not followed.

1. Visitors will only be able to have one visit scheduled at a time. Additional visits may be scheduled after the currently scheduled visit has occurred.
2. Incarcerated individuals may only have one visit per month. Visits will be scheduled on a first-come-first-served basis. No waiting list will be created.
3. Visitors are required to be screened for temperature and other COVID-19 indicators as per the [WA DOC COVID-19 Active Screening Questionnaire](#).
4. All visitors will be provided with a surgical mask upon check-in, which must be worn at all times while at the facility. Proper mask wearing is mandatory while on prison facility grounds. See the Centers for Disease Control (CDC) [How to Wear Masks](#) for information on how to wear a mask correctly.
5. No physical contact with incarcerated individuals will be allowed.
6. Visitors and incarcerated individuals are prohibited from touching the no-contact visitation barriers in place.

Visitors are asked to notify the Department of Corrections (DOC) if they should have a positive COVID-19 test within 14 days of visiting a DOC prison facility.
