SUBJECT: Childrens Visit Area Construction Schedule

I am thrilled to share exciting news about the upcoming construction project at the Washington Corrections Center for Women, particularly in the Children's Visitation Room. Our collaboration with the Hands-On Children's Museum in Olympia has led to scheduled construction activities taking place in April and May of this year.

For staff utilizing the visitation room for classes, please refer to the attached schedule, as the room will be closed during certain periods. Additionally, the WCCW Visitation website has been updated to notify visitors of the scheduled closures.

During the construction period, the visitation room may be available after 17:00 on Tuesdays, Wednesdays, and Thursdays, with regular visiting hours unless specified otherwise. Please note that the Children's Area may experience intermittent closures until Sunday, May 31, 2024.

Key closure dates for the Visitation Rooms are as follows:

- Monday, April 1, 2024
- Monday, May 6, 2024
- Monday, May 13, 2024
- Monday, May 20, 2024
