

VISITOR GUIDELINES

WELCOME STATEMENT

The Department of Corrections welcomes visitors to **Clallam Bay Corrections Center (CBCC)**. We wish to provide a family friendly environment. To do this, there are some security measures we must take to ensure each visit is safe and pleasant. The number of visitors allowed at one time may vary from one facility to another. Reading these guidelines carefully is strongly encouraged to promote an enjoyable visit.

WHO CAN VISIT

Visitors must have submitted a visitor's application, be approved, and added to the incarcerated individual's visitor list before visiting. Each individual may have up to **four (4)** approved visitors per visit. NOTE: The incarcerated individual may not be available for a visit. Visitors may avoid making an unnecessary trip or being turned away by pre-arranging visits with the incarcerated individual.

- Visit areas are provided for all visitors. Visitors and incarcerated individuals will use furnishings for their intended use.
- Because time is limited, the focus and interaction must remain between the incarcerated individual and his/her own visitors and family. Conversations with other incarcerated individuals and/or their visitors are not allowed with the exception of courteous statements, which should be brief in duration.
- While visitors are waiting for the incarcerated individuals to enter the visit room, brief verbal interactions with visitors nearby may occur as long as it does not result in anyone getting out of their seat.

Roughhousing and horseplay is not allowed and must be stopped immediately by the visiting minor's parent, guardian or escort.
- Children 14 years of age and under must be escorted to and from the restrooms located in the Public Access area by the visiting parent, guardian or escort.
- The incarcerated individual may supervise a child(ren) while the adult visitor uses the restroom or the vending machine, provided there is no restriction prohibiting the individual from being alone with the child(ren).
