

# VISITOR GUIDELINES

## WELCOME STATEMENT

The Department of Corrections welcomes visitors to Coyote Ridge Corrections Center. We wish to provide a family friendly environment. To do this, there are some security measures we must take to ensure each visit is safe and pleasant. The number of visitors allowed at one time may vary from one facility to another. Reading these guidelines carefully is strongly encouraged to promote an enjoyable visit.

## WHO CAN VISIT

Visitors must have submitted a visitor's application, be approved, and added to the incarcerated individual's visitor list before visiting. Each individual may have up to 7 approved visitors per visit. NOTE: The incarcerated individual may not be available for a visit. Visitors may avoid making an unnecessary trip or being turned away by pre-arranging visits with the incarcerated individual.

Minors under 18 years of age may visit with a parent/guardian or an approved escort only.

## ARRIVAL ON FACILITY GROUNDS

### Vehicles/Parking

The speed limit on facility grounds is 15 mph. The Department thanks drivers for not speeding.

Vehicles must be secured. The Department will not be liable for lost or stolen property.

Individuals dropping off a visitor should ensure the visitor has been allowed access, but may not wait in vehicles or on facility grounds after the visitor has been processed for visiting.

Pets are not permitted to wait in vehicles or on facility grounds.

### Visitor Check-In

Visitors are welcome to arrive Public Access 10 minutes before visits and will check in at the visitor entrance.

- MSC visitors may arrive on grounds and park in the designated visitor parking lot no sooner than 11:30am. Visitors should remain in their vehicles until 11:50am at which time visitors may enter Public Access and pull a ticket from the ticket machine located on the desk. Visitors will be called for processing as the number comes up. For the safety of all visitors we ask that visitors do not run or walk through the gravel and to please be courteous and respectful of others.
- MSU visitors will park in the designated area (graveled turnout off the right side to the road near the coyote statue) and check in at the desk in the outer foyer/lobby area of the Multi-Purpose Room. Written directions from parking lot to visitor entrance for check-in.

Visitors should inform visit personnel in advance when difficult news will be shared during a visit. Visit personnel will attempt to make a suitable seating arrangement for the visit.

## Identification

Visitors who are 18 years of age and older must present identification (ID) that is valid with a current photo (e.g., driver's license or state ID card, passport, military or government ID, tribal ID, alien registration). Other forms of ID may be authorized by the Superintendent/designee. Expired or non-photo ID will not be accepted unless the Superintendent/designee approves in exceptional situations (e.g., the ID is recently expired, and the visitor is known to visit by visit employees).

## Searches

Visitors will be required to sign DOC 21-575 Acknowledgment of Visitor Search Requirements before visiting. Pat, vehicle, personal property, and/or canine searches may be conducted. Visitors should read [DOC 420.340 Searching and Detaining Facility Visitors](#) before the first visit.

Visitors may bring the following items in a clear plastic coin purse or bag:

- Cash as follows:
  - During visitation, money or vending machine debit cards may be used for vending machine purchases by visitors. MSC-No incarcerated individuals are allowed to go to the machines. MSU-Incarcerated individuals may use machines.
    - Once opened, purchased food items must be removed from their packaging and placed on plates or napkins. Visitors and incarcerated individuals may not share items from the same plate, napkin, or container.
    - Any unopened items may be taken home by the visitor.
  - At facilities where cash is required for vending machine purchases, visitors will be allowed \$20.00 in change or bills in denominations of \$5.00 or less and may also bring an additional \$20.00 for the incarcerated individual.
  - At facilities with debit vending machines, visitors will be allowed a vending machine debit card. The debit card limit is \$40.00, based on vendor resources. Visitors will need a \$5 dollar bill to purchase the card. The machine will not take any other bill when purchasing the cards. After the card has been purchased, they may put any denomination of bill onto the card, up to the \$40.00 limit. Directions on purchasing the cards and putting money on the card, is written on the Debitec card machine.

If facility resources are available, nursing mothers may be asked to relocate to a non-restroom location identified by facility employees. If there is no suitable location for nursing, mothers may nurse in the visit room, provided they maintain reasonable modesty while nursing.

#### Service Dogs

Service dogs must meet the requirements of the Americans with Disabilities Act (ADA). Support animals and in-training service animals do not meet ADA requirements and will not be allowed.

- The dog's owner is responsible for the animal, including:
  - Cleanup of waste and disposal in the following area(s): In the designated trash receptacles at MSC and MSU.
  - Feeding the dog in the following area: On the floor next to their assigned table without impeding others. The visitor is responsible for keeping the area and floor clean.
    - Dog handlers will be allowed to secure dog food items in a visitor provided clear plastic container to be stored in the Porter closet.
  - Ensuring the dog remains on a leash under their control at all times
- Service dogs may not interact with incarcerated individuals or other visitors
- Dog handlers may be asked to remove the dog from the premises if the dog exhibits behavior that does not meet service animal requirements

## OVERCROWDING IN THE VISIT ROOM

When the visit room reaches maximum capacity, the following practice will be implemented to allow as many visitors as possible the opportunity to visit:

- Visit personnel will maintain a log of visitors entering the visit room and the time that they arrive.
- After a visitor has been in the visit room for 3.0 hours, s/he may be instructed to leave the visit room to allow another visitor(s) to enter. Visit personnel will ask for volunteers before ending any visits.
  - In limited circumstances, an individual and his/her visitor(s) may not have their visit ended (e.g., visitors who have traveled over 250 miles, rely on specialized public transportation).
- If an individual has already had a visitor(s), additional visits may not be allowed for that day.

When the visit room drops below maximum capacity, these limitations will be suspended.

## CLOTHING STANDARDS

Dress standards are necessary to ensure the safety and security of all individuals and promote a positive environment. Visitors should wear clothing that is conservative in nature in order to maintain a respectful visiting environment and ensure processing time is kept to a minimum. The Visiting Sergeant/Shift Commander/designee will make the final determination regarding the appropriateness of any clothing, footwear, or accessory.

- Any modifications to clothing once screened may cause delays in processing and may require the visitor to leave and change clothing or have their visit denied.

To ensure the safety of all individuals if an emergency arises, clothing that resembles state issued clothing (e.g., red shirts, khaki pants, gray sweatpants and sweatshirts) is not allowed.

### **The following guidelines apply to visitors 8 years of age and older:**

- Children must wear clothing that will not reveal underwear when they crawl, spin, etc. Shorts under dresses may be appropriate.

No sweatpants or shorts will be allowed. Pants are to fit around the waistline – no sagging. No double layering of clothing. Clothing will not be altered in any fashion. Altered clothing is defined as clothing that has been changed from its original condition as manufactured. Full length pants will be properly fastened when worn and not rolled up and/or cuffed at the bottom. Shoes will be fastened as designed. facility specific
  - The only jewelry permitted is a wedding ring, if married, and approved religious medallion

- Metal jewelry or accessories will need to pass the electronic detector and/or be searchable by hand, which may increase processing time.
- The following accessories are not permitted:
  - Jewelry that hides other items (e.g., broaches, locket, pins, ear coverings) or jewelry that resembles a key
  - Neck ties
  - Watches
  - Survival/paracord bracelets and similar in nature

## CONDUCT DURING VISITS

The Department intends to maintain visiting programs which help incarcerated individuals preserve positive ties with family and friends. Cooperation by all participants is encouraged. Visitors should be respectful, courteous, and follow all instructions given by facility employees. The following visit room guidelines will help to ensure that visits are a pleasant experience for all participants.

### **The following is not allowed on the premises:**

- Criminal activity
- Weapons or objects that present danger of any kind
- Visitors that have consumed alcohol, marijuana, and/or any illegal substance
- Alcohol, marijuana, and illegal drugs
- Any disturbance or the creation of emergency situations within the facility
- Conduct/behavior that:
  - Threatens the health and safety of anyone
  - May result in damage to the facility premises or equipment
  - Is disrespectful or inappropriate towards facility employees

### **The following is not allowed in the visit room:**

- Tobacco
- Gum
- Conduct/behavior that disrupts the visits of others
- Purchasing food and drinks for other visitors or incarcerated individual the visitor is not currently visiting

### **General Guidelines for Adult Visitors:**

- A brief hug and kiss (e.g., up to a 5 second kiss followed by a 10 second hug in length) are encouraged at the beginning and conclusion of visits.
- During the visit, the only physical contact allowed between incarcerated individuals and adult visitors over the age of 18 is holding hands or touching forearms over the top of long-sleeved clothing, with hands visible. While seated at a table, hands must be on or above the table top. As visiting areas are family-friendly environments, sexually suggestive behavior of any kind is not allowed.
  - The Superintendent/designee may establish additional requirements for an individual/visitor(s).
- Visitors that cause significant concern during their visit may be suspended from visiting privileges.

- Visits may become emotional at times. If visit personnel observe this, they may check in with the visitor(s)/individual to ensure everything is okay.
- Conversations should remain quiet, without harsh language or swearing, encouraging pleasant and caring family interaction. Visitors and incarcerated individuals will avoid loud, excessively emotional, or disruptive behavior.
- Visit areas are provided for all visitors. Visitors and incarcerated individuals will use furnishings for their intended use.
- Because time is limited, the focus and interaction must remain between the incarcerated individual and his/her own visitors and family. Conversations with other incarcerated individuals and/or their visitors are not allowed with the exception of courteous statements, which should be brief in duration.
- While visitors are waiting for the incarcerated individuals to enter the visit room, brief verbal interactions with visitors nearby may occur as long as it does not result in anyone getting out of their seat.
- Unless specifically authorized, notes and letters are not authorized to be brought in or out of the visit room.
- Crafts made by the incarcerated individual and his/her visitor(s) in the visit room may be taken out by the visitor or left to be displayed, if applicable.
- If restrooms are located outside the visit room, visitors may be subject to additional search.
- Visitors should put away all items used during visits (e.g., games, toys, books) and throw trash and recyclables in provided containers at the end of the visit.

### **General Supervision of Children:**

- Showing affection, holding, and playing with visiting children promote positive family interaction.
- An incarcerated individual may have physical contact with his/her minor child(ren) 8 years of age and under in a manner that respects the child's feelings and physical boundaries.
  - The child may sit on the incarcerated individual's lap.
  - The incarcerated individual may show affection toward the child (i.e., hugs or kisses).
  - Visit personnel will monitor the child for signs of withdrawal (e.g., pulling away, crying, screaming) and will, if appropriate, instruct the incarcerated individual to discontinue the physical contact or return the child to the guardian/escort.
- Children must be under direct supervision and within sight of the visiting parent or guardian/escort at all times. Children should remain at the table or in authorized play or break areas at all times. Roughhousing and horseplay is not allowed and must be stopped immediately by the visiting minor's guardian/escort.
- The incarcerated individual may supervise a child(ren) while the adult visitor uses the restroom or the vending machine, provided there is no restriction prohibiting the individual from being alone with the child(ren).
- For health and safety purposes, children under 5 years of age must have an adult escort with them when they use the restroom.
- Verbal corrections and time-outs are the only allowable forms of discipline during visits. Department employees are required by law to report suspected child abuse and neglect.

- Grooming of children's hair may be done during visits, unless visits occur in a dining hall.
- When changing children's soiled garments, please use the provided changing areas.

Adult escorts are expected to encourage children to return play items to their proper locations after use.

Suggestion/Comment forms are available in the visit room and online at <http://www.doc.wa.gov/family/visits.asp>.
