PAR (PRE-84 Cases)

- PANDOAH, Dewson
- DOC #285746
- Purpose: Full Board Discussion
- Date: March 29, 2021
- List of Documents Reviewed
 - ISRB File
 - No updated prosecutor recommendation was received. Prior recommendation from the prosecutor stated he is an individual who should never be released.

- **Summary Discussion**

Ms. Balmert presented this case.

Mr. Pandoah is under the Board’s jurisdiction in Chelan County Cause 6075 for Burglary in the First-Degree Burglary and Rape in the First Degree.

The crime involved Mr. Pandoah breaking into a woman’s home and beating and raping her. He was 45 years of age when he committed the crime and is currently 84 years of age. He has served on two prior federal convictions for Rape and Violation of the Dyer Act.

The last time Mr. Pandoah was seen by the Board he was found not parolable and 90 months was added to his minimum term.

Mr. Pandoah's overall risk assessment scores rate him at a high risk to re-offend.

Mr. Pandoah has had five infractions since his last hearing and has done no programming.

Mr. Pandoah would not respond directly to the female Board Members and in stead spoke with them through his counselor.

He would like to release to a Reservation in Idaho, but his has very little support in the community.

- **Decision:** Not parolable, add 36 months to minimum term.

- **Reasons:**
 - Mr. Pandoah is an End of Sentence Review Committee (ESRC) Level Two Moderate Risk sex offender and he has not mitigated his risk for sexual re-offense.
 - He is has not participated in risk related programming (sex offender or substance abuse treatment) to address his offending.
 - Dr. Robtoy's evaluation states; The actuarial risk assessment tools used during this evaluation estimate that Mr. Pandoah would be a high risk in terms of recidivism. She also states that he is an untreated sex offender with a significant history of untreated alcohol use who has presumably very little, if any insight into his criminogenic risk factors.
 - He continues to incur Serious Infractions including some which are violent.

- **Recommendation:**

The Board would like to see Mr. Pandoah remain infraction free and to actively participate in programming such as sex offender treatment, substance abuse treatment, Bridges to Life, and reentry/life skills. Mr. Pandoah may benefit from participating in the White Bison program if available to him and any other programming that may make him a fit subject for release.

- **Next Action:** Schedule .100 120 days prior to parole eligibility review date (PERD).

- **Vote**
