PRE-84

- VASTER, Maurice
- DOC #630245
- Purpose: Full Board Discussion
- Date: January 25, 2021
- List of Documents Reviewed
 - ISRB File
- An updated prosecutor recommendation was not received.

- Mr. Vaster was seen for a .100 hearing at the Stafford Creek Corrections Center on January 12, 2021.

- **Summary Discussion**
Mr. Patnode presented the case to the full Board.

Mr. Vaster is under the jurisdiction of the Board in King County Cause #80-1-00122-8 for Rape in the First Degree While Armed Count I; Rape in the First Degree Count III; Robbery in the First Degree While Armed Count II; and Robbery in the Second Degree Count IV

The crimes in Count I and II consisted of Mr. Vaster grabbing a woman at a bus stop and forcing her at gunpoint to a yard of a nearby residence where

he threatened to shoot her if she did not comply. Mr. Vaster then raped the woman and took items from her purse.

Counts III and IV consisted of Mr. Vaster breaking into a woman's apartment while armed with a knife. He bound and gagged the victim and ransacked and stole items from her apartment and purse before raping her.

He was 24 years old at the time of these crimes and is currently 66 years of age.

Mr. Vaster has an extensive criminal history. He has previous convictions in King County Cause 81927 for Burglary in the First Degree Counts I and II; Burglary in the Second Degree Count III; and Possession of Stolen Property Counts IV and V. These convictions reached their statutory maximum on April 21, 1997.

Risk assessments show Mr. Vaster to be a high risk to re-offend.

Mr. Vaster's last infraction was in 2018.

Mr. Vaster refuses to participate in the Sex Offender Treatment and Assessment (SOTAP) because he denies his crimes.

Mr. Vaster has his Barber License and has reached out to community organizations to help his transition into the community.

- **Decision:**

The panel recommends he be found not parolable and adds 48 months to his minimum term.

- **Reasons:**

- Mr. Vaster has been assessed as a Level II sex offender, aggravated from a Level I based on documented information that increases risk; Static 99-R: Low; PCLR: high; RLC: Low; VRAG: Bin 9 of 9
- Dr. Robtoy indicated in the September 2, 2020, psychological evaluation, "The assessment tools used in this evaluation estimate Mr. Vaster's level of risk for recidivism to be high. He shares a high degree of characteristics associated with antisocial personality disorder and psychopathy. Furthermore, his static risk factors place him in the highest category for recidivism according to the VRAG-R. He has minimal protective factors that might mitigate his risk".
- Mr. Vaster has a history of serious infractions with sexual elements and has not successfully completed specific risk related programming i.e., Sex Offender Treatment and Assessment Program (SOTAP)

- **Recommendations:**
Mr. Vaster should participate in any offender change programming to address his risk. He should also remain serious infraction free.

- **Next Action:**
 - Schedule .100 120 days prior to parole eligibility review date (PERD).

- **Vote:**

Jeff Patnode	Agree with recommendation
Kecia Rongen	Agree with recommendation
Lori Ramsdell-Gilkey	Agree with recommendation
