  Ms. Davis presented the case to the full Board.

Mr. Richmond is under the jurisdiction of the Board in Pierce County Cause #81-1-01157-0 for Rape in the First Degree.

The crime involved Mr. Richmond breaking into a 60-year-old female’s apartment and raping her. She was struck several times in the face during the assault. Mr. Richmond was 34 years old at the time of the crime and is currently 73 years of age.
Prior criminal history includes the following:

- 1977 Indecent Liberties – Pierce County Cause 51213
- 1981 Tacoma Police Report – Mr. Richmond told the unknown mail victim to perform oral sex. The victim did not comply and was beaten severely. Mr. Richmond was found not guilty at trial but was found guilty of physical assault at a parole revocation hearing.
- 1995 Burglary in the Second Degree and Assault in the Third Degree – Pierce County Cause 95-1-04581-4

Risk assessments show Mr. Richmond to be a high risk for sexually violent recidivism.

Mr. Richmond has not had any infractions since his last hearing.

Mr. Richmond has had several jobs. He currently works as a library assistant. The Board previously recommended he complete the Sex Offender Treatment and Assessment Program (SOTAP) prior to this hearing, but he has not programmed. He still does not admit to his offenses, however he says he is now willing to participate in the SOTAP.

- **Decision:** The panel recommends he be found not parolable and 60 months be added to his minimum term.

- **Reasons:**
  - Mr. Richmond is an ESRC recommended level III sex offender for notification purposes, Static 99-R High risk, VRAG Bin 8 of 9, and SAPROF Low for protective factors.
  - Mr. Richmond is a High-risk sex offender and has not mitigated his risk for sexual re-offense.
  - “Mr. Richmond’s risk for sexual violence cannot be appropriately contained in a less restrictive environment”, Timothy Richel, Ph.D.
  - He has been referred for an FPE if found releasable, which will provide the Board with important information to be considered as a part of his release decision. Only a small percentage of the highest risk sex offenders are reviewed for, and selected by the ESRC SVP Subcommittee for an FPE, indicative of the risk Mr. Richmond presents as this time.

- **Recommendations:**
  - Mr. Richmond should participate in SOTAP and take any offender related programming that helps address his likelihood to reoffend.
• **Next Action:**
  - Schedule .100 120 days prior to his parole eligibility review date (PERD).

• **Vote:**
