Ms. Nason is under the jurisdiction of the Board in Spokane County Cause #79-1-00249-7 for Statutory Rape in the First Degree.

The crime involved Ms. Nason approaching two male's ages five and seven as they walked to school. She took them into an alley and sexually assaulted the boys. Ms. Nason was 20 years old at the time of the crime and is currently 61 years of age.

Ms. Nason previously served on Spokane County Cause 26679 for Indecent Liberties and Spokane County Cause 26680 for Indecent Liberties. Both causes reached their statutory maximum on February 18, 1989. Both victims were unknown seven year old boys.

Risk assessments show Ms. Nason to be a moderate risk to re-offend.

Ms. Nason's last infraction was in 2002, but almost all of her infractions were sex related acts. However, she has received four negative behavioral observations and one positive one.

Ms. Nason would need to use the housing vouchers if released.

Decision:

The panel recommends Ms. Nason be found not parolable and adds 30 months to her minimum term.

• **Reasons:**

- **Assessed as a Moderate to High Risk to sexually reoffend on the Static 99-R and a Level Three for community notification;**
- **2011 Forensic Psychological Evaluation indicates that she meets the criteria as a sexually violent predator, diagnosing him with pedophilia, assessing him on the SORAG as a high risk and the VRAG/Static 99-R a moderate-high**
- **Continues to have sexual thoughts of minors**

• **Recommendations:**

- Ms. Nason should remain infraction free, participate in any programming available, and seek out support in the community perhaps through his church. If Ms. Nason continues to have sexual thoughts of children, she may want to consider libido reducing medication through the doctors in DOC.

- **Next Action:**
 - Schedule .100 hearing 120 days prior to his parole eligibility review date (PERD).
