- Barry Seymore is under the jurisdiction of the Board for their conviction of Attempted Murder in the First Degree in Spokane County Cause 81-1-00824-1.

In May of 1981, Mr. Seymore raped a 14-year-old female of whom he knew as a family babysitter. He was arrested for the rape and bailed out of custody. While out on bail, Mr. Seymore set fire to the victim's family home with several people in the home to include the victim. The victim jumped

out of a window and suffered a broken spine and was not able to testify against Mr. Seymore for the rape. Therefore, he was charged with only attempted murder. He was 26 years of age at the time of the crime and is currently 70 years of age.

**Previous Criminal History:**

Mr. Seymore self-disclosed that he had raped two familial females in his early 20s, but they never reported it.

Risk assessments show him to be a low moderate risk to re-offend.

Mr. Seymore's last serious infraction was in 2018.

Mr. Seymore has completed Sex Offense Treatment and Assessment Program.

Mr. Seymore appears to have no community support and will have difficulty finding a place to live upon release.

- **Decision:**

The panel recommends Mr. Seymore be conditionally paroled.

- **Reasons:**

- He has completed the core SOTAP program with positive reports from his Providers.
- He appears to understand his Dynamic Risk Factors and Interventions which should result in mitigated risk to the community.
- He has completed additional risk related programs in addition to SOTAP, Stress/Anger Management X 2 and Victim Awareness.
- He has a realistic release plan and lifetime supervision.
- He has a medical condition and his age that may mitigate his risk.

- **Recommendations:**

- Sex Offense Treatment and Assessment Program (SOTAP), if eligible
- Substance Abuse Treatment, Assessment and Follow Recommendations
- Mental Health Treatment (including any prescribed medications), if eligible
- Other Programs, if eligible. Such as: Thinking for a Change, Redemption, Bridges to Life, Alternatives to Violence, Domestic Violence Treatment
- Remain infraction free and have positive interactions with staff

- Participate in next Hearing
- Develop a release plan/community support
