- **Summary Discussion**
Mrs. Ramsdell-Gilkey presented this case.

Mr. Brooks is currently under the jurisdiction of the Board in King County Cause 84744 for Kidnapping in the First Degree Count III (While Armed).

He has previously served under King County Cause 87477 on Counts I, VI and VII for Robbery in the First Degree (While Armed); Assault in the First Degree Count V (While Armed); and Burglary in the First Degree Count VIII (While Armed).

He has additional counts under King County Cause 87477 for Rape in the First Degree Count II (While Armed) which runs consecutively to Count III and a Murder in the Second Degree Count IV (While Armed) which runs consecutively to Count II.

File materials describe the underlying offenses as follows: Counts I, II and III - The victims of the Robbery in the First Degree were a woman and her 7 year old son who were returning to their home after shopping. Mr. Brooks and his crime partner ordered the woman at gunpoint to drive around in her car. She was robbed and raped and she and her son were placed in the trunk of her car. A passerby heard them yelling and opened the trunk.

Counts IV and V involved an older husband and wife returning home after an evening out. The man was a retired law enforcement officer who had a gun. After retrieving a coat from the car, he saw that Mr. Brooks had grabbed his wife and was holding a gun to her. Mr. Brooks opened fire and a gunfight ensued until both were out of ammunition. Mr. Brooks then fled the scene. During this time the man was shot in the chest, and his wife was killed. Later testing showed that it was bullets fired from the husband's gun that killed his wife. The records describe that Mr. Brooks was using the wife as a shield. The man was in critical condition for some time but lived.

Count VI occurred only three hours after the previously described shooting. Mr. Brooks and his crime partner carjacked a woman and forced her to drive them around, while trying to steal the transaction number for her bank card. Mr. Brooks stole her jewelry and \$4.00 she had in her purse and she was eventually let go.

Counts VII and VIII involved a woman who returned home to find Mr. Brooks in her residence. He held a gun to her head and demanded credit cards and transaction numbers. He assaulted the woman and restrained her.

Mr. Brooks has an extensive juvenile criminal history.

Mr. Brooks was 17 years old at the time of the crimes and is currently 58 years of age.

Risk assessment scores rate him high risk to re-offend.

Mr. Brooks continues to commit serious infractions and has had two since his last hearing with the Board.

Mr. Brooks has had limited programming and does not appear to be interested in discussing his behavior. He is more concerned with his legal issues.

Mr. Brooks would like to release to a half-way house.

- **Decision**

The Board finds Mr. Brooks not parolable and adds 60 months to his minimum term.

- **Reasons:**

- **Risk Level III sex offender**
- **Has not completed risk related offender programming**
- **Continues to incur serious infractions and negative behavioral observations**
- **Recent psychological assessment and actuarial tools indicate a high risk for re-offense**

- **Next Action:**

Schedule .100 Hearing 120 days prior to his parole eligibility review date (PERD).

Recommendations:

Demonstrate consistent positive prison behavior. Participate in offense related offender programming as it becomes available, to include completion of the Sex Offender Treatment and Assessment Program (SOTAP) and Bridges to Life.
