The Prisons Division (PD) supports the Department of Corrections (DOC) mission of

**Improving public safety by positively changing lives**

by providing opportunities for employee engagement, family reunification and positive change in a safe and secure environment.

Our business plan provides a detailed roadmap for how the work of the Prisons Division connects to and furthers DOC goals and core values. It is our commitment to following through with measurable objectives and strategies that align with agency priorities.

The DOC goals are the desired results of our work:

- Improve lives
- Keep people safe
- Engage and respect employees
- Achieve organizational excellence

The DOC core values are the principles that guide us daily in creating a culture where engaged employees achieve quality results:

- Cultivate an environment of integrity and trust
- Respectful and inclusive interactions
- People's safety
- Positivity in words and actions
- Supporting people's success

Our core values are foundational in how we recruit, train, evaluate performance, promote, and recognize exceptional performance.
Strategic Anchors

Mission
Improving public safety by positively changing lives

Our Commitment
To operate a safe and humane corrections system and partner with others to transform lives for a better Washington

Vision
Working together for safer communities

Our Values

Cultivate an Environment of Integrity and Trust
Corrections values partnership and trust. We foster openness and support courageous conversations. We are committed to doing what we say we are going to do by being accountable and taking personal ownership in our actions.

Respectful and Inclusive Interactions
Corrections appreciates and values individuals by promoting an inclusive and diverse environment, which encourages safety. We respect, value, and listen to the thoughts, feelings, and perspectives of our stakeholders and consider the impact on those we serve as well as each other.

People’s Safety
Corrections believes in creating an environment that values physical, mental, and emotional security and well-being. We honor those who advance safety for all.

Positivity in Words and Actions
At Corrections, we assume positive intentions and believe there is a shared desire for the best outcome. We consistently demonstrate positive behavior and always put forth our best effort.

Supporting People’s Success
Corrections is committed to our community - understanding individuals, instilling hope, embracing change, and providing opportunities.

DOC Goal: Improve Lives
Objective: Decrease the first-year rate of return to institutions from 12% to 10% by 2023

Importance
This DOC goal and objective is supported by the Prisons Division by ensuring continuous case management and programming.

Approach
To support successful reentry, prisons staff are responsible for:

- Managing incarcerated individual case plans (POP 06)
- Providing incarcerated individual programs (POP 07)

Continuous case management and referrals to programs responsive to individual risk and needs are the mechanisms to move individuals through the system to lower levels of custody where greater services and opportunities for greater successes are available.

DOC Goal: Keep People Safe

Objective: Decrease the rate of violence from 0.93 to 0.90 per 100 incarcerated individuals at prison facilities by 2022

Importance

This DOC goal and objective is supported by the Prisons Division staff who maintain safe environments conducive to supporting positively changed lives.

Approach

To support keeping people safe, Prisons staff are responsible for:

- Managing security practices (POP 01)

Sound security practices including contraband management and violence mitigation activities are foundational to safe environments to live, work and visit in. We have technology requests submitted to enhance contraband discovery and mitigate contraband introduction.

DOC Goal: Achieve Organizational Excellence

Objective: Establish integrated outcomes based management in 100% of divisions by 2020.

Importance

This DOC goal and objective is supported by the Prisons Division by promoting and utilizing an outcome based management framework (Results DOC) to achieve organizational excellence. It is integral to building the connection and alignment between each other’s work and the mission of our agency.

Approach

To provide a framework for employees to engage in continuous improvement and quality results, prisons staff are responsible for:

- Establishing and utilizing Results Prisons as a management system (all prisons operating and supporting processes)

<table>
<thead>
<tr>
<th>Measure</th>
<th>Target</th>
<th>2018</th>

<td>7% / 400</td>
</tr>
<tr>
<td>Percent and number of employees annually participating in improvement efforts</td>
<td>20%/1100</td>
<td>12%/636</td>
</tr>
</tbody>
</table>

Strategies

1. Engage employees in developing the prisons fundamentals map
2. Develop a comprehensive business plan
3. Establish local and division level quarterly results reviews
4. Train and support local results facilitators
