## WASHINGTON DEPARTMENT OF CORRECTIONS RESTRICTIVE HOUSING PROGRESSION TIMELINE

 Maximum (MAX) custody utilized isolation and containment. MAX custody used Adminstrative Prior to 2012 Segregation (Ad-Seg). • Specific placement timeframes assigned around MAX custody. Over reliance on MAX custody asd a diciplinary mechanism. • Lack of face-to-face interaction and limited oportunity for congregate activities. Began partnering with VERA Institute of Justice regarding Restrictive 2011 Housing. • Significantly adjusted Restrictive 2012 Housing (RH) policies • Headquarters position developed to manage statewide oversite of Restrictive Housing First congregate classroom Started at the Washington State Penitentiary (WSP). Max Custody Committee 2013 membership enhanced. Eliminated 713/714 (selfharm/attempted suicide) serious 2014 infractions. Isolation as a sanction eliminated. • Conducted statewide staff training concerning the agency's vision concerning the use of Restrictive Housing and Individual Behavior Management Plans (IBMP's). • Integrated Ad-Seg process into electronic Offender Management Network Information (OMNI). Partnered with Disability Rights Washington (DRW) for Dr. Jeffrey Metzner consultation of RH (Metzner 2015 CAP). • Began partnership with University California, Irvine regarding comprehensive RH study. Implementation of Congregate Programming in all facilities with a Intensive Management Unit (IMU). Transition Pod started at Monroe 2017 Correctional Complex (MCC). RH Steering Committee (RHSC) implemented. 2018 • Death Row eliminated. Most ISDP offenders moved into general population. • Application submitted to partner with VERA Institute of Justice on "From Isolation to Dignity and Began partnership with VERA Wellness Behind Bars" initiative. Institute of Justice. • Developed Close custody "Safe RHSC Guiding Principles Harbor" beds located at Clallam developed and adopted. Bay Corrections Center (CBCC). Developed strategy and prepared for repurposing RH beds. • VERA completed site surveys of 2019 RH staff and incarcerated. Adjusted RH policy series to include: narrowing placement reasons, expanding the visitation, 2020 allowing Ad-Seg to earn time toward the level system. • Developed, Piloted and impented RH Field Trainning Officer
