Resentencing Process Overview

Community Referral
From legal team, prosecutor, community organization, family, etc.

Records and Hearings
From DOC virtual hearings, court orders, court movement, and releases.

Staff/Self Referral
Notification of upcoming resentencing from incarcerated individual or DOC staff.

DOC Data
Lists from Data Analytics for potential and prior resentencing.

Appellate Notifications
Staff monitor appellate opinions and mandates that impact resentencing.

Screening
Resentencing Staff screen and assign case(s) to Resentencing Specialist (RS).

Tracking
RS tracks hearings and outcomes.

Referrals
Pending a resentencing hearing, referrals are submitted for DOC programming, treatment, health services and victim services as needed.

Introduction
RS contacts Classification Counselor (CC) and other facility staff with reentry planning information and schedules a resentencing planning meeting as needed.

Resource and Reentry Planning
Communicate with the individual, CC, and/or internal/external stakeholders to discuss goals, barriers, and next steps. Identify potential resources, programming, etc. *May include a meeting pre-resentencing.*

Coordinate with Community Partners
Coordinate pre- and post- release resources and assistance.

Immediate Release
Individual's release date is within 3 months of resentencing/court action.

Continuity of Care Coordinator
Assists individuals pre- and post-release with health insurance, medical equipment, release medications, and other medical/mental health needs.

Resentence Outcome
Case will be closed out if individual is not resentenced, or new release date is more than 3 months* from resentencing decision.
