Pre-Submitted Questions

None submitted

Question 1

What is going on with Jpay?

Answer

Jpay was here last week and it seems to be worse than before they came. We have calls into them and they should be back out, hopefully soon to fix it.

Additional Questions

Question 1

What is going on with Jpay?

Answer

Jpay was here last week and it seems to be worse than before they came. We have calls into them and they should be back out, hopefully soon to fix it.

Question 2

How is the air quality?

Answer

The wind is blowing and seems to be taking the smoke with it.
