## There were no Pre-Submitted Questions

## Guest Discussion

Dr. Strick, Dr. Stern, and DOH partners joined call to answer questions and share information regarding vaccine distribution within population at facilities. DOH team is interested in creating information sharing for the populations to hopefully increase numbers of those willing to take vaccine. This was hosted as a roundtable discussion with hopeful outcomes, as follows:

- DOH will share information with DOC to share with SFC, who will in turn share with populations
- DOH and DOC creating videos to share inside facilities to provide information about vaccine, side effects, etc.
- DOH providing additional flyers to DOC to post in all living areas
- Dr. Stern and DOH partners offered to join LFC COVID calls as requested, if available
- DOH confirmed that individuals should still get vaccine even if they had previously been infected with COVID

## Comments/Closing

- Next SFC COVID-19 Informational Call scheduled for **04/02/2021 at 2:00 PM**
