CPM Schlagel opens

Not a lot of new business. Gyms will start up on Friday, March 12th. Maintenance came in and painted new lines and cleanup was done.

Free Video Visits have been extended through April.

CPPC Events – Next Wednesday (March 17th) will be a Video Greeting. In April there will be a craft event and working on another event for the summer, which will be more kids oriented.

Fundraiser is moving forward. CI will be heading that up. Applications are in the units and moving forward. They will be able to send proceeds to a charity of their choosing.

Pre-Submitted Questions

1. When can we expect visits and EFV packets to resume?

Answer: Justin Schlagel – CPM

Statewide decision/Headquarters Decision. They will be meeting on the 16th. Hopefully more information will come after that. We understand that this is frustrating, but this is not a decision at the facility level. We appreciate your patience. When there is new information it will be on the DOC website and direct communication through kiosk.

2. Has DOC thought of any other avenues to take to get visits resumed? Such as allowing people to visit with proof of COVID test and/or the vaccine?

Answer: Justin Schlagel – CPM

We are sure this is part of the decision-making process. We do still have separation screens up in preparedness for when visits to start up.
