### CPM Schlagel opens

- There were no pre-submitted questions or LFC nominations for SFC, Co-Chair or Secretary positions. I urge those on LFC to join the State Family Counsel.
- Happening this Week - We continue to move to increase yard times. We are sending 2 cohorts at a time. Encourage loved ones to continue to wear masks, social distance, and wash hands. Upcoming
- COSTCO food fundraiser is coming soon.
- Changes to meeting – There is some leeway to the Family Council meetings. Would you like Saturday, Thursday, or any other day? After a vote it was decided we will change the COVID Check-Ins to every other Thursday at 1PM and go back to Saturdays every other month for the Family Counsel Meeting. We will send an updated schedule.
- The next meeting, we will discuss Family Friendly events and any ideas you have for new events. What would you like to do? Anything new or improve. Think about it and send in your ideas. Have been asking I/I's questions and have received some good ideas. I look forward to discussing this at the net meeting.
- Have not received any new information on visitation opening back up.

## Pre-Submitted Questions

No questions submitted.

## Additional Questions

1. Thankful for more yard time it is improving morale. Why are they having to wear masks while exercising.

Answer: Justin Schlagel – CPM

We found out that those who were not working out were also not wearing masks. It has been a battle to have them wear masks when not working out. Will follow up on wearing masks while working out.

Update: It has been confirmed that the direction was issued that individuals would wear masks at all times while out of their cells. This has reduced confusion amongst everyone on when masks are to be worn. All staff and all incarcerated individuals will wear masks at all times.

2. When are vaccines going to start?

Answer: Norm Goodenough – Health Services Manager

Vaccines are now available to everyone incarcerated, but dependent on when supplies will come in. We are expecting them any day.
