Pre-Submitted Questions

Question 1

Recovery/Re-open?

Answer

Same as last week. We are still adjusting many priorities and still operating under emergency protocols in order to prevent the spread of COVID-19 in our facility. We have staff working on the Safe Start group at HQ. They are processing plans for each facilities ability to reopen safely and slowly.

Question 2

Programming/Nutrition?

Answer

- Same as last week. These are enterprise wide discussions and as we hear back, we will let you know. As for now there is nothing to report.

Question 3

Can you give us an update about staff testing? Do you have any plans for testing the population as well?

Answer

- Staff testing is going well and we have received no positive results for the first round of testing! We are currently working on our third round of testing this week. AS of today we have completed 1415 staff tests. We have had zero positive results at this time.
- As for our population, at this time we are not planning to test the entire population.

Question 4

Can you give an update on the RCF? Are the women who tested positive being treated there?

Answer

- We are still in operation phase, continuing staffing, and ordering supplies for the RCF. It is not being utilized for our positive patients yet.
