Weekly COVID Update

Associate Superintendent Barker

WSP incarcerated individuals (I/I) – 1 COVID cases.

WSP staff – 1 COVID cases.

WSP is now on limited outbreak status. I/I had a medical appointment and was given a rapid test, which came back positive. Both were in IMU N, so the I/Is from IMU N are now under quarantine status. Unfortunately, IMU N has been having difficulty with the A/C unit, so all I/I's have been moved out and placed in another unit.

Question: How many men does that affect?

Answer: 67

Question: Was the I/I or the staff member vaccinated?

Answer: No, I don't think either were vaccinated but I don't know this for sure.

Question: How are both COVID patients doing?

Answer: They are doing fine. Neither are experiencing symptoms.

COVID Meetings: SFC Rep, Wendy Dubinsky shared that she received a message stating that headquarters approved to move COVID meetings to monthly. Assoc. Superintendent Barker made the motion to move COVID meetings to monthly instead of every other week. Motion was passed. The next COVID meeting will be July 27th at 13:00 unless WSP moves into outbreak status, and then D. Gilbreth will send out another calendar invite before July 27th.

Statewide Family Council Update: SFC Rep, Dubinsky, shared that the Statewide Council meeting was moved from the 17th to the 24th. Requesting a COVID status update from Associate Superintendent Barker before that meeting.

Visiting

Sgt. R. Beal

WSP visiting is still slow, but we are hopeful that once the state moves forward, we will be allowed to move forward as well.
