

SWIFT AND CERTAIN COMMUNITY-BASED SANCTION OPTIONS GUIDE

Community Corrections Officers will use this guide to identify sanctions for Stipulated Agreements when addressing a Low Level Violation Process or a mitigated High Level Violation Process. Some sanction options may not be available in all areas. Other local sanction options may be considered with Community Corrections Supervisor approval.

Sanctions will be time-limited, up to 15 days, and will be determined based on the individual's risk, violation behavior, and needs. Completion of a sanction must be verified and documented. If noted below, sanction duration will follow the listed timeframes.
