INDETERMINATE SENTENCE REVIEW BOARD
PO BOX 40907 • Olympia, Washington 98504 • (360) 493-9266 FAX (360) 493-9287

Date: December 4, 2018

The following is a list of incarcerated individuals who are scheduled to meet with the Indeterminate Sentence Review Board (ISRB) during the month of March 2019. The Indeterminate Sentence Review Board (ISRB), formerly known as the Board of Prison Terms and Paroles, has jurisdiction over three types of sentenced individuals:

- (1) (PAR) – Individuals who committed their crime(s) prior to July 1, 1984 and were sentenced to prison. The ISRB must determine if the incarcerated individual's rehabilitation is complete and whether he or she is a fit subject for release. If the ISRB makes a decision to release the offender they must submit an offender release plan through the Department of Corrections and ultimately approved by the Board.
- (2) (CCB) - Individuals who committed certain sex offenses on or after September 1, 2001. The ISRB must determine if a preponderance of evidence suggests the incarcerated individual is more likely than not to commit a sex offense if released with conditions. If the ISRB makes a decision to release the individual they must submit a release plan through the Department of Corrections and ultimately approved by the Board.
- (3) (JUVBRD) – These cases involve certain juveniles who committed crimes prior to their 18th birthday and were convicted as adults. This law is a result of the U.S. Supreme Court Miller vs. Alabama that recognized that juveniles should not be sentenced to life without parole prior to considering certain mitigating factors. The ISRB must determine if a preponderance of evidence suggests the individual is more likely than not to commit a new criminal law violation if released with conditions. If the ISRB makes a decision to release the incarcerated individual they must submit and release plan through the Department of Corrections and ultimately approved by the Board.
 - **Aggravated First Degree Murder (AGMURDER)** – These are juveniles convicted of Aggravated First Degree Murder. They must be re-sentenced by the sentencing court and may fall under the Board if sentenced to a term of less than Life-Without-Parole. If the Board decides not to release them at their hearing, the Board can add up to five years on their minimum term.
 - **Long Term Juvenile Board (LTJUVBRD)** – These are juveniles sentenced to 20 or more years. They may petition the Board after serving 20 years flat time, have not been convicted of a new crime after the age of 18 and have not had a serious infraction in the last 12 months. If the Board decides to not release them at their hearing, the Board indicates when the inmate can petition again, up to 60 months.
