*Device should include a one year repair and one year loss/damage warranty.

**If the hearing aid is no longer under warranty and the repair can be performed in-house, the reimbursement shall be a flat rate of \$137.15 if the repair requires the hearing aid to be sent to the manufacturer, the provider will be reimbursed the cost the manufacturer charges for the repair as well as the \$137.15 flat fee - the manufacturers invoice must be submitted with the billing for reimbursement

* **The dispensing fee includes: initial screening, pre-fitting eval, an ear mold, and post fitting consultations.

Device should include a one year repair and one year loss/damage warranty.
