

ELEANOR CHASE HOUSE REENTRY CENTER (ECHRC)

FACT SHEET

ABOUT

Custody Level:

- Minimum Security Classification Facility

Capacity:

52 total beds, 33 female beds, 19 DNR beds

Annual Operating Budget:

- \$1,781,458

ECHRC is located on the eastern side of Washington state in Spokane. It is centrally located and provides access to public transportation, local businesses and medical facilities. The primary goal is to improve public safety by positively changing lives, reconnecting families and providing residents with the knowledge and skills necessary for success as they transition into the community.

Residents who meet the screening criteria may be transferred to ECHRC 18 months before their earliest release date. The Department of Corrections owns the building.

COVID-19 Operations: In May 2023, federal and state COVID-19 emergency declarations ended, and DOC transitioned to a new normal operation. DOC continues to follow DOH and CDC guidelines for managing and preventing infection control.

Individuals with Disabilities: The Reentry Centers meet applicable American with Disabilities Act (ADA) standards and DOC policies regarding ADA. We will coordinate with the statewide ADA coordinator prior to the arrival of residents requiring ADA accommodations to ensure the facility has the necessary items. We will ensure the facility continues to meet the accommodated residents' needs during their incarceration.

FACILITY INFORMATION

DNR Program:

The Arcadia 20-man Handcrew (ARC20) is based out of DOC's Eleanor Chase Reentry Center and is a direct result of the passing and funding of HB1169. The ARC 20 crew assist with wildfire response and suppression efforts in ten Eastern Washington counties, specifically Spokane, Stevens, Pend Oreille, Lincoln, Okanogan, Ferry, Whitman, Grant, Douglas, and Chelan County. In addition to wildfire suppression, the crew aids in the treatment of forest health and lands restoration in Eastern Washington.
