Labor and Industries

7273 Linderson Way SW,

Tumwater, WA 98501

Florence's First Month: Walking Through a Reentry Simulation

Why Participate?

- **Build Empathy:** Gain a deeper understanding of the barriers people face when returning to communities.
- **Strengthen Collaboration:** See how government agencies, service providers, and community partners each play a role in supporting successful reentry.
- **Inspire Solutions:** Spark conversations that can lead to practical changes in policy, programs, and partnerships.

Why Should I Join?

This activity is valuable for:

- Government agencies and policymakers
- Community organizations and service providers
- Employers, educators, and faith-based leaders
- Anyone interested in building safer, healthier, and more inclusive communities
